

# Nevromangfold i arbeidslivet

Lene Bøe Melsom – Fønix AS

Astrid Kristin Holm – Sykehuset i Vestfold

AFT-dagen 30. august 2023

A graphic featuring a white background composed of interlocking puzzle pieces. A single puzzle piece in the center is highlighted in a vibrant blue color. On this blue piece, the words "Join Our Team" are written in a clean, white, sans-serif font. The text is centered horizontally and slightly above the vertical center of the blue piece. The overall composition is simple and visually appealing, using the metaphor of puzzle pieces to represent team collaboration.

Join Our Team

When you lied on  
your resume but still  
got a job 🤡

**Autism is not a  
disability, it's a  
different ability**

I am autistic

and I need to know

who, what, when, where, why, & how.

What would happen if you employed someone with Asperger's Syndrome? THIS would happen. Things would get done, be organised, be perfected, on time, and completely on schedule.

Share to raise awareness of the positive traits of Asperger's - Bryan :) <3
